

# Support the Big Chico Creek Watershed Alliance

The Alliance is stakeholder-based. Anyone who lives in, works in, plays in or loves the Big Chico Creek watershed can be a supporter. Our supporters sustain the effort to protect and enhance Big Chico Creek, Lindo Channel, Sycamore Creek, Mud Creek and Rock Creek. The Alliance relies on watershed stakeholders for guidance in its work and for financial and political support. Your money will support our work to restore endangered salmon and steelhead in Big Chico Creek, foster citizen participation in groundwater management, provide opportunities for volunteers to monitor the health of our creeks, and promote sustainable flood management.

Supporters will receive a quarterly e-newsletter and a fun token of our appreciation. For an additional \$8, we'll send you an Alliance t-shirt. The Alliance has both federal and state nonprofit status and you will receive a confirmation letter for your tax records.
